11th Grade - Chandler Prep Academy
2026-2027
School Supply List

This list was compiled by teachers considering their subjects, but there may be better systems that work for some students. The goal is to set up students for success and help them have all materials needed for class.
Please remember that in accordance with the handbook, all materials should be free of pop culture icons and pictures.
This list does not include the consumables and required novels for the classes. Please see this list for those books.

***NOTE - Combination locks will already be on student lockers and will be required to be used. The locker number and combination # will be on the student's schedule. ***
