COLLEGE COUNSELING

Sophomore Spotlight

Liam Meagher

Congratulations to Chandler Prep sophomore Liam Meagher on the successful completion of his Eagle Scout Rank. He resurfaced the parking lot of a local wild horse rescue to prevent dust and flooding. He had to get it surveyed and then regrade the dirt, followed by putting down 2" of new gravel. The lot was 50' X 90'. The district commissioner told him it was the biggest project he had ever approved and it took Liam months of planning!

Great job, Liam.

College Programs – May 22 & 23

Exploring College Options is a special recruitment program sponsored by the undergraduate admissions offices of five of the country's leading universities: **Duke University, Georgetown University, Harvard University, the University of Pennsylvania, and Stanford University.** During the spring or fall of each year, the Exploring College Options group will visit all 50 states, Puerto Rico, USVI and the District of Columbia. At each event, representatives from the five universities will conduct brief slide presentations about their institution and answer your questions about the sometimes-mystifying world of college admissions. You will learn what distinguishes one fine university from another, what competitive colleges look for in the selection process, and what you can do to enhance your college application. The **programs start promptly at 7:00pm** unless otherwise noted. We suggest arriving 15 to 20 minutes beforehand to complete the sign-in process and find a seat. Programs typically last one and a half hours. Please feel free to bring your parent or guardian to the program, and if you have a friend who you think might be interested, please direct him/her to this website for registration information.
