## SUPPORT CHANDLER PREP

### Why We Choose to Support Community Investment

"Our parents sacrificed to give us the best education available in Arizona which, at that time, was private and relatively expensive. Not only is the curriculum offered at Archway Chandler and Chandler Prep better than what we received, it is available to our children tuition-free. More importantly though, Great Hearts is focused on forming the whole person - a person who is committed to serving others and his or her community. We support Community Investment because we are so grateful for the passionate teachers and administrators who make this available to our children." - Ryan & Anja Scharber
