GreatHearts®
Parent Education Night
Stress & Coping in Students
When: November 19th
Where: Chandler Preparatory Academy
Time: 6pm-7pm
Ages: All are welcome- will be applicable for k-12th

Dear Parents,

I have wanted to host an information night on student stress and anxiety for a while and I am very happy that we are able to do so this month. If you have any questions or concerns about the stress and anxiety that your student(s) currently faces, or if you want to be equipped for the future, please join us the evening of November 19th. Increasing our awareness of how stress can affect a student's daily life can help us support and guide them.

This event is for all East Valley Great Hearts Academies, but hosted here at CPA. While this is event happening during our fall sports awards, it will allow parents and students who are in most need of strategies and information, access to it at our campus. Please contact me directly with any questions about the event or its timing.

Please see the attached portion of the family handbook for more details.
