

6th Grade - Chandler Prep Academy
2024-2025
School Supply List

This list was compiled by teachers considering their subjects, but there may be better systems that work for some students. The goal is to set up students for success and help them have all materials needed for class.

Please remember that in accordance with the handbook, all materials should be free of pop culture icons and pictures.

This list does not include the consumables and required novels for the classes. [Please see this list for those books.](#)

***NOTE - Combination locks will already be on student lockers and will be required to be used. The locker number and combination # will be on the student's schedule. ***

P.E.:

With the resurfacing of the gym floors, it is now mandatory for all P.E. students to wear sneakers with tan gum-colored or white soles. Please ensure you have the approved gym shoes in your locker or backpack to comply with the school dress code. Please switch to your gym shoes before entering the gym and you can change back into your school shoes after the P.E. class. We hope this change will help preserve the newly refinished surfaces and ensure that everyone can enjoy a safe and clean environment for their activities. Please make sure to check your footwear before going to class. We're excited to see everyone continue to stay active and have fun in our freshly updated gym!
